### ABOUT ME

My name is VS KANDHAN, currently pursuing my B.E CSE degree second year in Anna University. Started to learn Programming on my own at the age of 18, and still learning to craft myself as a Full stack Developer. And with a passion for youtubeing, I am making videos for my youtube channel VSK PAARVAI.

### SKILLS

C  
JAVA  
HTML  
CSS  
JAVASCRIPT  
PHP  
BOOTSTRAP  
JQUERY

### SERVICES

Web Development  
Web Hosting  
SEO  
Content Writing

### WORK EXPERIENCES

#### WEB DEVELOPMENT

FEBRUARY 2022 - PRESENT

Gained some experience in web development through developing my own portfolio website and I also trying to develop many websites for local services in my locality.

#### YOUTUBING

JUNE 2020 - PRESENT

Started making videos only for Entertainment during the pandemic, and by the way I experienced lots of techniques and skills for youtubeing, and still working on it to see the nooks and corners of youtube.
